

BIOHUB

DISTRICT BIOHUB

- Co-working Space
- Meeting Rooms
- Ideation Space

LABORATORY (Supports research with Risk Group 1 and 2)

- Wet Lab
- Biosafety Room
- Technical Equipment

BIOHUB EQUIPMENT

Cell Culture & Molecular Biology:

- Microbiology and CO2 Incubators
- Biological Safety Cabinets
- Thermal Cyclers
- High-speed centrifuges
- Refrigerated and Incubated Shakers
- Nanodrop
- Real Time PCR
- ImaGem System
- Power Supplies for electrophoresis

Analytical & Chemistry:

- Biophotometer
- Microplate Reader
- Analytical and Top-loading balances
- Benchtop Centrifuges
- Microscope
- Pipettes
- Fume Hoods

Cold Storage & General Instruments:

- Water Baths
- Vortexes
- Block Heaters
- Hotplate Stirrers
- Rockers
- Plates Shaker
- pHmeters
- Refrigerators
- -20, -30 and -80 freezers
- Ice Maker
